Please bring proof of previous rabies vaccination. The vaccine will be given to dogs and cats age four months and older. If the owner can show proof the animal has previously received a rabies inoculation the vaccine will have a duration of three years. Dogs and cats under one year of age, or those who cannot show proof that the animal has received a previous rabies inoculation will have to be re-vaccinated in one year. All dogs must be leashed and a carrier must be provided for all cats. Vaccinations performed by Dr. Dyan Muller.
